I saw a guy from Instagram story. He has such an innocent face. He looked tipsy. He was hugging and dancing with a guy next to him. He looked 20 years old-ish. I am so jealous... He doesn't care about the world. He trusted the people who surrounded him. He can make mistakes cause he has plenty of time to waste.

For six weeks we worked in the gallery space Klemm's in Kreuzberg. We made a lot of carrier bags, envelopes, drawings, collages, music, videos.
